ADDENDUM SUMMARY

On August 20, 2020, upon reviewing the completed administrative use-of-force review, the head chair of the Executive Force Review Committee, Commander Scott Gage, [redacted], requested Deputy Todd Campbell be re-interviewed. Commander Gage requested IAB investigators conduct an additional interview of Deputy Campbell to obtain further clarification regarding his actions during his 9-1-1 call prior to the shooting.

STATEMENTS

Internal Affairs Bureau investigators interviewed the personnel listed below. For more information and precise wording, see the interview transcriptions and audio recordings submitted with this case. The following is a summary of their interviews.

INVOLVED EMPLOYEE TODD CAMPBELL

On August 31, 2020, IAB Sergeants Troy Rodriquez and Sara Rodriguez interviewed Involved Employee Deputy Campbell at the Internal Affairs Bureau office. Subject Campbell was represented by Attorney Amy Johnson.

During the 9-1-1 call, Deputy Campbell provided the 9-1-1 Operator with the suspect's vehicle description and license plate number. Deputy Campbell further explained he was close enough to the suspect's vehicle to provide the information on [redacted]. Approximately, 1 minute and 16 seconds into the 9-1-1 call, Deputy Campbell was heard stating "Lady don't do it, don't do it." IAB investigators asked Deputy Campbell what he was referencing to when he made that statement.

Deputy Campbell stated, Suspect Cortez had climbed from the rear seat of the suspect vehicle into the driver's seat. Approximately 23 seconds later (01:39), Deputy Campbell told the 9-1-1 Operator the woman [Suspect Cortez] tried to run him down with a vehicle. Deputy Campbell further explained when he made that statement, to the operator, he was 1-3 feet away from the driver's side front wheel well. The vehicle lunged forward and Deputy Campbell stated he simultaneously moved backward. Additionally, the suspect vehicle lunged forward again as Suspect Cortez steered the vehicle in a turning motion.

IAB NOTE: The information referenced in this interview occurred at 1 minute and 39 seconds; however, during the initial interview the time of occurrence was referenced as 1 minute and 40 seconds.

An additional 54 seconds (02:33) passed and a gunshot was heard on the 9-1-1 recording. Deputy Campbell estimated he was approximately 1-3 feet away from the vehicle, in the street, before he was struck by the suspect vehicle and fired his weapon. IAB investigators ask Deputy Campbell during the 54 seconds did he consider moving completely out of the street, seeking cover, or obtaining a better tactical position. Deputy Campbell stated, "Really there was no cover at that point, other than running back [redacted], I can't recall if there was a vehicle [redacted] or any coverage, or any light pole, or anything that I could gain access to or maintain cover" **[Deputy Campbell Addendum Transcript, Pages 3]**.
